

DANIQUE DUSÉE

Singer | Actor

I'm often described as enthusiastic and hard working. After I first witnessed the musical 'Tarzan' in the Circus Theater, I knew I also had to be on that stage. Ever since, I have developed my artistic abilities to the fullest extent possible, with the goal of gaining as much experience in the field as I can.

I love challenges and doing things I never did before. That's the only way to know whether you like it.
